

M.S.D.S Material Safety Data Sheet	VENUS SAPONE LIQUIDO MANI MENTOLYPTOL ANTIBATTERICO	March 19th 2020
---	--	-----------------------------------

1 IDENTIFICATION OF MATERIAL/COMPOUND AND COMPANY

1.1 IDENTIFICATION OF MATERIAL OR COMPOUND

VENUS SAPONE LIQUIDO MANI MENTOLYPTOL ANTIBATTERICO

Code 70010997

mL200/6.76 fl.oz

1.2 USE OF MATERIAL/COMPOUND

Product Type : Finished Product - Consumer (retail) – use only

Recommended use: Cosmetic product for personal hygiene and beauty

1.3 IDENTIFICATION OF COMPANY/ENTERPRISE

Producer: **KELEMATA S.r.l.**
Tenuta "LA CARIGNANA" 10072 Caselle T.se (TO) – Italia
Tel.: +39 011 9976421 Fax : +39 011 9913035

1.3 EMERGENCY TEL. No.: +39 011 9976421

2. HAZARD IDENTIFICATION

Emergency Overview

May cause sensitization by skin contact

Principle routes of exposure: Contact

General Hazard This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseeable use

3. COMPOSITION / INFORMATION ON INGREDIENTS

Chemical characteristics Description:
mixture of materials not classified as hazardous

4. FIRST AID MEASURES

General advice no hazards which require special first aid measures. When symptoms persist or in all cases of doubt seek medical advice.

Eye contact rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if

	present, and continue rinsing. If eye irritation persists seek a medical advice/attention
Skin contact	if irritation develops wash with soap and water
Ingestion	clean mouth with water get medical attention
Inhalation	ensure fresh air

5. FIRE-FIGHTING MEASURES

Flammable properties:	not inflammable
Flash Point :	n.a.
Suitable extinguished media	dry chemical, water spray, sand, CO2 or foam
Extinguished media which shall not be used for safety reason	no information available
Special hazard	the release of the following substance is possible in a fire: Carbon monoxide, Carbon dioxide and unburned hydrocarbons (smokes). May form explosive mixture with air.
Special protective equipment for Fire-fighters	as in any fire, wear self-contained- breathing apparatus pressure demand MSHA/NIOSH (approved or equivalent) and full protective gear

6. ACCIDENTAL RELEASE MEASURE

Personal precautions	none under normal use conditions
Advice for emergency responders	use personal protective equipment
Environmental precautions	do not discharge product into natural waters without pre treatment or adequate dilution. Should not be released into environment.
Methods for containment	prevent further leakage or spillage if safe to do so. Prevent product from entering drains
Methods for cleaning up	eliminate all ignition sources (no smoking, flares, sparks or flame in immediate area). Use non sparking tools and equipment. Contain spillage, and then collect whit noncombustible absorbent material (e.g. sand, diatomaceous earth, earth) and place in container for disposal according to local/national regulations

MSDS VENUS SAPONE LIQUIDO MANI MENTOLYPTOL ANTIBATTERICO

7. HANDLING AND STORAGE

Advice to safe handling	keep out from the reach of children. Observe label precaution. Keep away from open flames, hot surfaces and source of ignition
Technical measures/storage	keep out from the reach of children. Keep container tightly closed in a dry, cool and well-ventilated place. Keep away from open flames, hot surfaces and source of ignition. Keep away from direct sunlight

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure guidelines	exposure guidelines are not relevant when product is used as intended in a household setting
Personal protective equipment	
Eye protection	no special protective equipment required Hand protection no special protective equipment requie
Skin and body protection	no special protective equipment required
Respiratory protection	no special protective equipment requie

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state at 20 °C	cosmetic solution
Appearance	clear
Odor	no information available
pH value	4.8-5.2.
Melting/freezing point	no information available
Boiling point	no information available
Flash point	n.d. .
Evaporation rate	no information available
Flammability	no information available
Lower flammability limit	no information available
Upper flammability limit	no information available
Relative density	no information available
Vapour pressure	no information available
Relative density	no information available
Water solubility	soluble
Partition coefficient n-octanol/water	no information available
Auto ignition temperature	no information available
Decomposition temperature	no information available
Viscosity	3500-4500
Volatiles % by wt	no information available
Volatile organic compounds	no information available

MSDS VENUS SAPONE LIQUIDO MANI MENTOLYPTOL ANTIBATTERICO

10. STABILITY AND REACTIVITY

Reactivity	none under normal conditions
Stability	stable under normal conditions
Hazardous polymerization	hazardous polymerization does not occur Hazardous reactions none under normal processing
Condition to avoid	Keep away from open flames, hot surfaces and sources of ignition. Extreme of temperature and direct sunlight

11. TOXICOLOGICAL INFORMATION

Primary irritability

Acute toxicity : Principle routes of exposure

Inhalation	no known effect based on information supplied
Skin contact	no data available to indicate product may be a sensitizer
Ingestion	no known effect based on information supplied
Eye contact	no known effect based on information supplied
Chronic toxicity	
Corrosivity	no known effect
Sensitization	no data available to indicate product may be a sensitizer
Reproductive effect	the product contains no substances known to be hazardous to health in concentration which need to be taken into account
Mutagenicity	there are no known mutagenic chemicals in this product
Teratogenicity	no known effect
Carcinogenicity	contains no ingredients above reportable quantities listed as a carcinogen

12. ECOLOGICAL INFORMATION

Ecotoxicity	no data found
Environmental fate	no data found Environmental degradation no data found
Soil absorption/mobility	no data found

13. DISPOSAL CONSIDERATIONS

Disposal	contact your supplier or a licensed contractor for detailed recommendations. Follow applicable Federal, state and local regulation
Disposal regulatory requirements	none
Container cleansing and disposal	none

14. TRANSPORT INFORMATION CFR/DOT

The following information applies to all shipping mode
(DOT/IATA/ICAO/IMDG/IMO/ADR/RID/AND) unless otherwise indicated

UN number	not applicable
UN proper shipping name	chemicals (cosmetic product)

Transport hazard class(es) not applicable

Environmental hazard not applicable

Not classified as a marine pollutant

15. REGULATORY INFORMATION

The product described in this Material Safety Data Sheet is regulated under the EU regulation and is safe for use. the cosmetic finished products are produced and commercialized with conformity to the Regulation (CE) 1223/2009 and its following changes.

The cosmetic finished products are specifically excluded from the application of EU Legislation regarding the dangerous substances and blends (Regulation CE 1272/2008). They are as well excluded from the provisions of the IV title of the Regulation (CE) 1907/2006.

16. OTHER INFORMATION

These data have been reported on the base of our present knowledge, but they do not represent any guarantee of the product's characteristics and they do not motivate any juridical relation of negotiation. In particular: 1-The data of this safety sheet are on the base of our present knowledge and on community regulations. 2-The product has not to be used for aims different from what is predicted in section 1, if not after receiving dispositions written in its handling. 3-Chemical - physical characteristics of the product here reported have the only aim to describe it from the point of view of security and do not mean to guarantee any specific characteristic. 4-The user is responsible for undertaking every necessary proceedings to conformed to the local
